

St. Louis IIBA Chapter - Committee Charter

Committee Title: Business Analysis Development Day Planning (BADD)

Committee Chair: Christine Wallace

Date Created: February 9, 2011

Term: 4-8 months

Committee Goal: Plan and successfully implement a Business Analysis Development Day for the St. Louis community during the fall of 2011.

Committee Objective:

The objective of this all- volunteer committee is to plan the chapters first BADD.

How to volunteer:

Contact Susan Davis via email president@stlouis.theiiba.org

Approach:

The committee members will be asked to plan the BADD including venue, speakers, sponsors, activities, food, advertising, and cost per attendee. They will also evaluate the needs of the community and feasibility of conducting the BADD during the months of August or October 2011. The chapter chair will be responsible for documenting the committee's decisions and informing or consulting the president. All plans shall be approved by the St Louis Chapter Board of Directors.
